

# Congressman Brett Guthrie

## Congressionally-Directed Appropriations Requests for FY 2010

### House Committee on Appropriations Subcommittee on Energy and Water

#### **Biofuels Research Laboratory - \$1,000,000**

University of Kentucky Center for Applied Energy Research  
2450 Research Park Drive  
Lexington, KY 40511

#### **Western Kentucky University Research Foundation Biodiesel Project - \$1,000,000**

Western Kentucky University  
1906 College Heights Blvd, #11016  
Bowling Green, KY 42101

The development of an efficient bio-fuels process will reduce our nation's dependence on foreign oil and is in the interest of our national security. Through this project, researchers can demonstrate the feasibility of in-site coupling concept on biodiesel production directly using both bio-oil fractions of biomass and various cellulose fractions of biomass.
