Elizabethtown High School
 620 N Mulberry St
 Elizabethtown, Kentucky 42701

As the school year begins, I would like to take this opportunity to invite any interested students and families to my annual "Academy Day" Information Fair on Thursday, September 16, 2021 at Elizabethtown High School. This event is designed to help make the Academy Application processes clearer and easier.

The "Academy Day" Information Fair will consist of presentations from the U.S. Air Force Academy, U.S. Military Academy, the U.S. Naval Academy, the U.S. Coast Guard Academy, and the Merchant Marine Academy. There will also be a question and answer period, as well as printed information available for students and parents about the academy nomination process. I would appreciate you sharing this information with the appropriate students and staff so that we can spread the word about this opportunity. Enclosed you will find a RSVP form and driving directions to the location of the event. You may also find these documents on my website, <https://guthrie.house.gov>, if you prefer to contact my office online.

If you or your students have any questions regarding this event or need additional information, please contact my district office at (270) 842-9896. My Constituent Service Representatives will be glad to assist you in answering any questions about the upcoming event or the service academies. Thank you for sharing this information about my upcoming "Academy Day" Information Fair and for all that you do for Kentucky's students.

Sincerely,

BRETT GUTHRIE
Member of Congress
