The Honorable Tom Cole  
Chairman  
House Appropriations Committee  
H-307 The Capitol  
Washington, D.C. 20515

The Honorable Rosa DeLauro  
Ranking Member  
House Appropriations Committee  
1036 Longworth House Office Building  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Clarkson Wastewater Treatment Plant Expansion for the Fiscal Year 2026. The entity to receive funding for this project is the City of Clarkson located at 213 Millerstown Street, Clarkson, KY 42726. The funding will be used to expand their wastewater treatment plant. The project is an appropriate use of taxpayer funds because it will allow the City of Clarkson to serve a greater number of future residents in their growing service area as well as improve their aging infrastructure.

This project has a Federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Brett Guthrie  
Member of Congress
