The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chair Granger and Ranking Member DeLauro:

I am requesting funding for the Greensburg Drinking Water Quality Improvement project for fiscal year 2024. The entity to receive funding for this project is the City of Greensburg and is located at 110 West Court Street in Greensburg, KY 42743. This is a good use of taxpayer dollars because this project will affect the residents and businesses of Greensburg.

The taxpayers and residents of Greensburg deserve high quality and reliable service from their water plant, including safe drinking water. This project allows the City of Greensburg to accomplish that and ensures that the city maintains the standards set forth in the Safe Drinking Water Act of 1974. With replacement of aging line and valve infrastructure, this project aligns with the EPA's newly-established Lead & Copper rules as well.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Brett Guthrie
Member of Congress
