The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chair Granger and Ranking Member DeLauro:

I am requesting funding for the Hardinsburg Water Treatment Plant Expansion Phase 1 and distribution improvements project for fiscal year 2024. The entity to receive funding for this project is the City of Hardinsburg and is located at 220 South Main Street in Hardinsburg, KY 40143. This is a good use of taxpayer dollars because this project will increase the capacity of the Hardinsburg water treatment plant and enable the City to continue extending water lines throughout the remainder of Breckinridge County that currently do not have access to clean safe drinking water.

The taxpayers and residents of Hardinsburg deserve high quality and reliable service from their water plant, including safe drinking water. This project allows the City of Hardinsburg to accomplish that and ensures that the city maintains the standards set forth in the Safe Drinking Water Act of 1974.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Brett Guthrie
Member of Congress
