The Honorable Kay Granger  
Chair  
House Appropriations Committee  
H-307 The Capitol  
Washington, D.C. 20515

The Honorable Rosa DeLauro  
Ranking Member  
House Appropriations Committee  
1036 Longworth House Office Building  
Washington, D.C. 20515

Dear Chair Granger and Ranking Member DeLauro:

I am requesting funding for the City of Lewisport New Water Treatment Plant for fiscal year 2024. The entity to receive funding for this project is City of Lewisport Municipal Water Works located at 405 Second Street in Lewisport, KY 42351. The funding is a good use of taxpayer dollars because it would be used to construct a new .50 MGD regional Water Treatment Plant replace a water treatment plant that is nearing the end of its useful life and will also serve as a new regional water treatment plant that will serve the customers of Lewisport. Additionally, this new plant would serve as a regional facility and be able to serve all Hancock County Citizens and as an emergency water source for the East Daviess County Water Association.

This project has a Federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a)(2).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Brett Guthrie  
Member of Congress
