

Congress of the United States

Washington, DC 20515

May 10, 2024

The Honorable Tom Cole
Chairman
House Appropriations Committee
H-307 The Capitol
Washington, D.C. 20515

The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Mt. Washington Police MDT Equipment in the fiscal year 2025. The entity to receive funding for this project is the City of Mount Washington at 311 Snapp Street, Mt. Washington, KY 40047. The funding would be used to equip Mt. Washington police cars with new and more modern mobile data terminals (MDTs) and Cradlepoint routers. The project is an appropriate use of taxpayer funds because the MDTs will provide officers with real-time access to critical information such as dispatch updates, criminal databases, and mapping tools, enhancing their ability to respond quickly to incidents.

This project has a Federal nexus because the funding provided is for purposes described in section 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(8)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Brett Guthrie
Member of Congress
