The Honorable Tom Cole
Chairman

H-307 The Capitol

The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the New Haven Water Line Asbestos Removal for the Fiscal Year 2026. The entity to receive funding for this project is the LaRue County Water District located at 331 Center Street, New Haven, KY 40051. The funding will be used to replace aging asbestos water lines with 6-inch PVC lines. The project is an appropriate use of taxpayer funds because replacing the asbestos lines will improve the water quality and address safety concerns that are involved in repairs and maintenance.

This project has a Federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Brett Guthrie
Member of Congress
