Washington, DC 20515

May 3, 2024

The Honorable Tom Cole  
Chairman  
House Appropriations Committee  
H-307 The Capitol  
Washington, D.C. 20515

The Honorable Rosa DeLauro  
Ranking Member  
House Appropriations Committee  
1036 Longworth House Office Building  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the New Haven Asbestos Water Line for the fiscal year 2025. The entity to receive funding for this project is the LaRue County Water District located at 421 Strange Road, Hodgenville, KY 42748. The funding will be used to replace aging asbestos water lines with 6-inch PVC lines. The project is an appropriate use of taxpayer funds because replacing the asbestos lines will improve the water quality and address safety concerns that are involved in repairs and maintenance.

This project has a Federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Brett Guthrie  
Member of Congress
