The Honorable Tom Cole  
Chairman  
House Appropriations Committee  
H-307 The Capitol  
Washington, D.C. 20515

The Honorable Rosa DeLauro  
Ranking Member  
House Appropriations Committee  
1036 Longworth House Office Building  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Shepherdsville Wastewater Treatment Plant for Fiscal Year 2026. The entity to receive funding for this project is the City of Shepherdsville located at 634 Conestoga Parkway, Shepherdsville, KY 40165. The funding would be used for improvements to the wastewater treatment plant, directly benefiting more than 25,000 residents. The project is an appropriate use of taxpayer funds because the growing population in the area has resulted in water shortages due to limitations in peak flow capacity at the wastewater treatment plant. This project helps to solve those capacity restrictions and provide safe water, without a public health risk from potential overflow in the community.

This project has a Federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Brett Guthrie  
Member of Congress
