The Honorable Tom Cole
Chairman
Committee on Appropriations
H-305, the Capitol
Washington, D.C. 20515

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth HOB
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for West Point Riverbank Stabilization in Fiscal Year 2027. The entity to receive funding for this project is the City of West Point, located at 509 Elm Street, West Point, KY 40177. The funding would be used to construct a concrete brick wall along the Ohio River to stabilize the riverbank, prevent ongoing erosion, and protect public infrastructure. The project is an appropriate use of taxpayer funds because this investment will safeguard critical community assets, reduce flood risk, and improve long-term resilience for residents and businesses.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Brett Guthrie
Member of Congress
