The Honorable Rosa DeLauro  
Ranking Member  
House Appropriations Committee  
1036 Longworth House Office Building  
Washington, D.C. 20515

Dear Chair Granger and Ranking Member DeLauro:

I am requesting funding for the Beech Grove water storage tank addition for fiscal year 2024. The entity to receive funding for this project is the Beech Grove Water Association and is located at 445 HWY 56 North, Calhoun, KY 42327. This project will allow the Beech Grove Water Association to satisfy the requirements placed on them by the PSC in 2010. The Beech Grove Water Association is a small rural water system in McLean County that is not able to fund a project of this capacity. These funds will go to correct an issue they have been facing for over thirteen years and will provide better water service to their 600 customers.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

  
Brett Guthrie  
Member of Congress
