The Honorable Kay Granger
Ranking Member
House Appropriations Committee
1036 Longworth House Office Building
Washington, DC 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Barren County's Chapatcha Industrial Park Development in fiscal year 2022.

The entity to receive funding for this project is Barren County Fiscal Court, located at 126 E Public Square, Glasgow, Kentucky, 42141.

The funding would be used for site development, grading and pad, site plan, preliminary building design, cost and schedule that will bring three 10-acre sites up to the Kentucky Build Ready Program standards and an industrial park. This project would be a valuable use of taxpayer funds because this infrastructure development would help revitalize the community and create economic opportunities. This project would result in needed job creation and capital investment in the community.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Brett Guthrie
Member of Congress
