Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Medical Center at Caverna surgery department in fiscal year 2022.

The entity to receive funding for this project is Bowling Green Warren County Community Hospital Corporation, located at The Medical Center at Caverna at 1501 S. Dixie Street, Horse Cave, Kentucky, 42749.

The funding would be used to acquire surgical equipment in order to allow the surgery department at The Medical Center at Caverna to be fully operational and eventually be able to conduct hernia surgery, hemorrhoid surgery, sebaceous cyst removal, PICC line placement, breast surgery, and other minor outpatient surgeries. This project will significantly enhance surgical service capabilities at the hospital and increase access to care in Horse Cave, Kentucky and the surrounding communities.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

BRETT GUTHRIE
Member of Congress
