The Honorable Rosa DeLauro  
Ranking Member  
House Appropriations Committee  
1036 Longworth House Office Building  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Northwestern Hart County Water System Improvements for Fiscal Year 2026. The entity to receive funding for this project is Green River Valley Water District located at 1180 E Main St, Horse Cave, KY 42749. The funding would provide significantly upgraded water transmission and distribution infrastructure to an underserved, growing area of Hart County. This project is an appropriate use of taxpayer funds because it would not only increase capacity for the system but would also help with critical water supply challenges that a neighboring water facility is experiencing from failing water treatment infrastructure. This project will alleviate the stress on the water plant by allowing Green River Valley Water District to sell more water to the neighboring water district.

This project has a Federal nexus because it is for the purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Brett Guthrie  
Member of Congress
